

The Librarian,

.....

.....

The following journals will be useful asset for our library and should be subscribed as per details provided below

Journals

- Chemical Biology Letters**
- Applied NanoMedicine**

I strongly recommend selected journals as

- I need to refer to selected journals/publications frequently
- These publications are essential resources for my studies/research.
- I will refer my students to these publications
- I am an author/editor/contributor to these journals.
- I am a member of the publication's editorial board.

The journals can be subscribed by attached subscription form. Consider contacting at subscription@iscience.in for subscription or related queries.

Sincerely,
