Dear Librarian,

I would like to recommend following journals (check marked) for subscription in the library as these will be useful valuable asset for our library and should be subscribed as per details provided below

Journals

- Chemical Biology Letters**
- Journal of Materials NanoScience**
- Journal of Biomedical and Therapeutic Sciences**

I strongly recommend selected journals for subscription in the library as

- I need to refer to selected journals frequently
- These journals are essential resources for my studies/research.
- I will refer my students to these journals/publications
- I am an author/editor/contributor to these journals.
- I am a member of the journals'/publication's editorial board.

The journals can be subscribed online at <http://pubs.iscience.in/subscribe> or by subscription form. You may contact at [subs@iscience.in](mailto:subs@iscience.in) or [pubs@iscience.in](mailto:pubs@iscience.in) for subscription or related queries.
